

YOUR ACCESS TO THOUGHT LEADERSHIP IN 2021

HEALTHCARE DISRUPTION, INNOVATION & TRANSFORMATION

“In healthcare, a number of seismic shifts in how the sector will operate and engage with its stakeholders in the future are well under way.”

– Dr Peter Wilton, Haas School of Business, University of California, Berkeley.

All indicators point to the real need to address the impending disruption in our profession and the ideal operating models for success – I’m sure you’ll agree that education should play a big part in arriving at optimal reinvention of our business, financial and personal lives.

We’d like to remind you that in 2021 your team at St John of God Healthcare are committed to helping you in these endeavours – our association with The Private Practice education program offers you highly discounted participation in specialised education and thought leadership, resulting in course fee savings of up to \$990.

Please follow the links below to explore the educational events on offer – the 2 and 3 Day courses attract a discount so make sure to enter **Promo Code: SJOG** at the end of the registration page.

This offer also includes complimentary registration for your practice manager and spouse.

ADAPT/EVOLVE/THRIVE

“Disruption, Innovation and Transformation will dominate the educational focus of our 2021 Curriculum. Once again we have engaged some of the world’s foremost specialists to deliver thought leadership designed to empower action, change, and success – please follow the links below for event and registration details.”

– Steven Macarounas, Head of Education & Managing Editor, The Private Practice.

COVID-19 Event Management

Numbers at each Dinner Briefing, Masterclass and Course will be strictly limited to comply with pandemic protocols, so register now to avoid disappointment. Further, at time of writing, uncertainty continues regarding the ability to, and the safety of, travel, face-to-face gatherings and events, and it’s quite possible that scheduled events may not be able to be delivered as intended due to COVID restrictions at the time. Should this be the case with any event in the 2021 curriculum, it will instead be delivered via packaged recorded modules as well direct presenter engagement opportunities – a registration fee discount will apply.

We hope you take advantage of what promise to be empowering learning experiences and to a catalyst for transformational change.
